Court House

This is the Plymouth Royal Eagles Drum and Drill Corps, a New Hampshire State winner in its class for the 9th consecutive year at the Rochester Fair of 1974. The group got its start in 1966 through the efforts of Mr. and Mrs. Robert Haskell, Mrs. Harold Smith, Mr. Herbert Dore and Mr. Guy Magoon. The first drills, with about 30 aspirants, were held in Plymouth Grange Hall. Several months later the New Hampshire National Guard became a co-sponsor of the group, made available a practice hall and home at the Guard Armory in Plymouth. Annual membership in the Corps now includes 60-65 young people drawn from Plymouth and surrounding towns. The Eagles enter about 25 parades each year, mostly in New Hampshire and at many of the famous fairs. They represented New Hampshire at the presidential inaugural celebration in Washington, D.C. in January 1973, went to Lexington, Mass. last year and were invited to Lexington again for the town's big bicentennial celebration in April this year.

Plymouth salutes its colorful ambassadors.

TOWN MEETING - MARCH 5, 1974

A legal meeting of the inhabitants of the Town of Plymouth was held in the gymnasium of the Plymouth Area High School on Tuesday, March 5, 1974, and opened at 10:00 o'clock in the forenoon by the Moderator, Atty. George T. Ray, Jr., reading from the 1974 warrant. After reading Articles 1 through 7, which were to be voted upon by ballot during the voting hours of 10:00 A.M. through 6:00 P.M., it was voted to dispense with further reading of the warrant until 7:30 o'clock in the afternoon. Moderator Ray then declared the polls open to Articles 1 through 7 in the Town Warrant and Article 1 in the School District Warrant and to close not earlier than 6:00 in the afternoon.

The polls were closed to voting on Articles 1 through 7 in the Town Warrant and Article 1 of the School District Warrant at 6:00 o'clock in the afternoon, and counting of ballots commenced.

At 7:30 o'clock in the afternoon, the 211th annual Town Meeting was opened by Moderator Ray for vote on Articles 8 through 41 of the Town Warrant. Mrs. Alida Buckland led the group in a salute to the flag and Rev. Philip Polhemus offered a prayer.

ARTICLE 15: Purchase of New Police Cruiser:
Voted to authorize withdrawal of the sum of \$2,300.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the amount appropriated under Article 14 to purchase a new police cruiser.

ARTICLE 16: Zoning Board of Adjustment:
Fletcher W. Adams was elected for a term of five years.

ARTICLE 17: Maintenance and Construction of Highways:
Voted to raise 100,336.00

ARTICLE 18: Purchase of Highway Dept. Dump Truck and One-Ton Truck:
Voted to authorize withdrawal of the sum of \$11,116.00 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against the budget appropriation under Article 17 to purchase a dump truck and one-ton truck and further, to authorize the Selectmen to make pro-rata reductions in the amount if estimated entitlements are reduced.

ARTICLE 19: Solid Waste Disposal Project:
A report of the Regional Refuse Disposal Committee which has been established in accordance with RSA:53-B:1, was given by Robert Frey. Due to the Energy Crisis, it was decided by the Committee that an Incinerator Project is unfeasible at this time. Also, there is a possibility of an extension of the time limit on open burning, as set by the State of N.H., which at present is July 1, 1974. A motion was made and accepted that further action on this Article be postponed to an adjourned Town Meeting to be held June 25, 1974 at 7:30 p.m. at the Lecture Hall of the Plymouth Area High School.

ARTICLE 20: Federal Disaster Assistance Funds:

Voted by a standing count (Affirmative: 133, Negative:65) to authorize the Selectmen to accept from Land/Vest Properties, Inc., for use as town roads, a deed to the Town

of two existing private ways 50 feet in width known as Oak Ridge Road (from its junction with Thurlow St. and running generally westerly approximately 2,800 feet to the end thereof) and Wooly Pasture Road (from its junction with Oak Ridge Road and running generally northerly approximately 850 feet to the end thereof) as shown on plan entitled "Plan of Fracher Lot for Land/Vest, Inc., Plymouth, New Hampshire" by C.R. Storer, Inc., dated June 7, 1971, and recorded in Grafton County Registry of Deeds in Pocket 1, Folder 8, Plan 21. Said plan shows said roads as providing access for 15 lots within said sub-division. Being accepted by the Town, a good and sufficient warranty deed conveying the said premises described above will be delivered to the Town at no cost to the Town. The Planning Board approved this subdivision subject to the road being built to Town specifications. The road will be subject to inspection by the Selectmen in the Spring of 1974.

ARTICLE 24: Fire Department Expenses for Year:

Voted to raise and appropriate 70,600.00

ARTICLE 25: Purchase of New Fire Truck:

A report of the Committee appointed to investigate the purchase of new fire truck was given by Eldwin Wixson. It was voted by a standing count (Affirmative: 203 - Negative: 4) to raise and appropriate a sum not to exceed \$55,000.00 for the purchase of a new fire truck.

Cost of Custom Truck	\$46,000.00
Related Equipment	9,000.00
	<hr/>
Total Cost	\$55,000.00

\$25,000 of the sum so appropriated to be set-off by a withdrawal in that amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and the balance to be raised by borrowing on the credit of the Town through the issuance of bonds or notes of the Town pursuant to the Municipal Finance Act, the amount to be raised by borrowing to be adjusted upward by the Selectmen if estimated entitlements under the State and Local Assistance Act of 1972 are reduced.

At this time, 9:50 P.M., Moderator Ray gave the results of the ballot voting on Articles 1 through 7 of the Town Warrant, as follows:

Rev. Bayard Hancock gave a report of the committee appointed to investigate the problem of providing low cost housing for the elderly and take any action relative thereto. It was voted to accept the report of the Committee and that the Committee be discharged.

ARTICLE 37: Bookkeeping Machine for Town Office:

Voted to appropriate the sum of \$14,467.50 and to authorize the withdrawal of said sum from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and if estimated entitlements under said Act are reduced, any balance shall be raised by taxation.

ARTICLE 38: Plymouth Village Water and Sewer District:

Voted to raise and appropriate a sum not to exceed \$3,000.00 to reimburse the Plymouth Village Water and Sewer District for the Town's share of the estimated cost of updating the report on sewerage and sewerage treatment facilities, completing an infiltration/inflow analysis or any other requirements contained in P. L. 92-500, which will qualify said District for federal funds.

ARTICLE 39: New Highway Department Garage:

Voted to appropriate the sum of \$8,000.00 to complete construction of the new Highway Department garage and to authorize the withdrawal of said sum from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, and if estimated entitlements under said Act are reduced, any balance shall be raised by taxation.

ARTICLE 40: North Country Council:

An explanation of the North Country Council was given by Mr. David Thun. It was voted, after much discussion, that the Town of Plymouth become a member of the North Country Council.

ARTICLE 41: Any Other Business:

A letter, written by Gov. Meldrim Thomson, concerning the oil refinery in Durham and requesting an opinion of the citizens in this community as to whether or not they favored the construction of an oil refinery in New Hampshire, was read by Moderator Ray. A motion was made by Sen. Stephen Smith as follows:

"Resolved that it be the consensus of this meeting that the Representatives from the Town of Plymouth be instructed to vote for House Bill 18 - an act requiring local approval prior to approval of site plans for oil refineries." A standing vote resulted as follows:

Affirmative: 135 - Negative: 2

A motion was presented by Selectman Robert Crowley to instruct U.S. Rep. James Cleveland in Washington to move for the impeachment of Pres. Richard Nixon. Immediately a motion to adjourn was made by Mr. Eldwin Wixson, and the meeting ended with a storm of approval at the motion to adjourn.

A standing vote on the adjournment motion resulted as follows:

Affirmative: 83 - Negative 61

The meeting was adjourned at 10:30 o'clock in the afternoon.

Respectfully submitted,

CAROL A. ELLIOTT

Town Clerk, Plymouth, N.H.

ADJOURNED TOWN MEETING

June 25, 1974

At the Annual Town Meeting of March 5, 1974, it was moved and seconded that action on Article 19 of the 1974 Warrant be postponed to an adjourned Town Meeting to be held June 25, 1974 at 7:30 p.m. at the Lecture Hall of the Plymouth Area High School.

At such time and place, the meeting was called to order by Leonard Sawyer, substituting for Moderator George T. Ray, Jr. Mr. Sawyer read Article #19 of the 1974 Warrant and then called on Robert Frey for a report from the Refuse Disposal Committee on the solid waste disposal problem.

Mr. Frey pointed out the need for a 90-day postponement of action on Article #19 due to a lack of facts and figures. Open burning at the dump was to have been stopped by July 1, 1974 by state law. An extension of six months to January 1, 1975 has been granted the town by the state with the provision that a progress report be submitted to the state at the end of three months.

The Selectmen and Mr. Frey had had the opportunity during the interim from Town Meeting to this adjourned meeting, to view the incineration plant at Wellfleet, Mass. After this visit to such an operation, these gentlemen have mixed feelings about incineration but hope to visit another such plant in western Massachusetts. After talking about these plants, Mr. Frey told the townspeople present of the need that the Committee would have for engineering help before any real steps could be taken to solve the solid waste problem.

Selectman Madison Sears, at this time, moved to adjourn further consideration of Article #19 until September 24, 1974 at 7:30 P.M. in the Lecture Hall at Plymouth Area High School. This motion was seconded and Mr. Sawyer adjourned the meeting at 7:55 P.M.

PUBLIC HEARING
SOLID WASTE DISPOSAL FACILITIES

September 12, 1974

A Public Hearing on Solid Waste Disposal Facilities was called to order by Moderator George Ray, Jr. at 7:30 o'clock in the afternoon on September 12, 1974, at the Plymouth Court House. Mr. Ray read the warrant article to be acted upon at a Special Town Meeting to be held on Thursday, October 3, 1974, pursuant to a decree of the Grafton County Superior Court, as follows:

"To see if the Town will vote to appropriate a sum not to exceed Two Hundred Fifty Thousand Dollars (\$250,000.00) to finance the cost of constructing and equipping solid waste disposal facilities for the Town and to raise the sum so appropriated by borrowing on the credit of the Town pursuant to the Municipal Finance Act, RSA, Chapter 33, and to authorize the Selectmen to apply for, receive and expend on behalf of the Town such State aid and/or Federal aid as may now be available or hereafter become available for financing said project."

Moderator Ray then turned the floor over to Mr. Robert Frey, who proceeded to explain the solid waste disposal problem. Mr. Frey also presented slides and an explanation of proposed incinerator with re-cycling facility to the approximately twenty five interested citizens present. Several questions were asked of Mr. Frey by the citizens concerning the cost of operation of the incinerator, involvement of other towns in the program, etc. Selectmen Crowley, Lewison and Sears were present at this Public Hearing which was adjourned by Moderator Ray at 9:30 o'clock.

ADJOURNED TOWN MEETING

September 24, 1974

On September 24, 1974, the adjourned Town Meeting of June 25, 1974 to consider action on Article 19 of the 1974 Warrant was called to order at the Plymouth Area High School at 7:38 P.M., by Deputy Moderator James DeHart.

No business could be transacted at this meeting as the Town of Plymouth had been granted permission by Grafton County Superior Court on August 28, 1974, to hold an Emergency Town Meeting on October 3, 1974 at 7:30 P.M. at the Plymouth Area High School. The purpose of this meeting, as regards Article 19 of the 1974 Warrant, will be as follows:

To see if the Town will vote to appropriate a sum not to exceed Two Hundred Fifty Thousand Dollars (\$250,000.00) to finance the cost of constructing and equipping solid waste disposal facilities for the Town and to raise the sum so appropriated by borrowing on the credit of the Town through the issuance of bonds or notes of the Town pursuant to the Municipal Finance Act, RSA, Chapter 33, and to authorize the Selectmen to apply for, receive and expend on behalf of the Town such State aid and/or Federal aid as may now be available or hereafter become available for financing said project.

Such being the case, it was moved to adjourn further action until October 3, 1974. This motion was seconded and Mr. DeHart adjourned the meeting at 7:40 P.M.

**SPECIAL EMERGENCY MEETING OF
THE TOWN OF PLYMOUTH**

October 3, 1974

The Special Emergency Meeting of the Town of Plymouth was called to order on October 3, 1974, at 7:30 P.M. by Moderator George T. Ray, Jr. Selectmen Crowley, Lewison and Sears were present as well as Robert Frey, representing the Conservation Commission, for purposes of discussing Article 1 of the Warrant for this meeting.

Moderator Ray read the Warrant in its entirety. Article 1 concerning Solid Waste Disposal facilities was brought before the meeting for consideration. Dr. Frey gave a most informative explanation of how and why we now have to deal with this problem of solid waste disposal. The Conservation Commission is in favor of a combination incineration and recycling unit for the Town. This type of operation was fully explained to the group.

A breakdown of the proposed cost of such an incineration plant with recycling facilities was given as follows:

Engineering:	\$ 12,000.
Site Preparation:	
fence	4,000
grading	2,500
road	10,000
water (septic system)	2,500.
electric	1,000
Cement foundation for incinerator building	15,000.
Metal building	25,000
Incinerator	95,000
Oil Tank - 10,000 gal.	5,000
Recycling plant:	
Site preparation	2,000.
Building	30,000.
Equipment:	
Bobcat type tractor	7,000.
Lift truck	6,000.
Paper Bailer	8,000.
Glass Crusher	4,000.
Can crusher	4,000.
Scale and enclosing	15,000.
	<hr/>
	248,000.
Contingency	2,000.
	<hr/>
	\$250,000.

Methods of paying for such an operation had been looked into by the Selectmen and Conservation Commission. A fee system would enable the Town to collect from Plymouth State College for their share of use of the solid waste disposal facilities. However, it was decided that this alternative would bear further investigation as a fee system could prove to be most complicated. Therefore, for the present at least, taxation would be the method of paying for the incinerator project even though the college could not be taxed for its use of the incinerator.

If the proposal in Article 1 were voted upon negatively by the residents present, the alternative for the Town would be that the State of New Hampshire would build an incinerator plant in Plymouth. They would then have the ability to bill the Town, over a period of twenty years, for the plant and its operation. This would prove much more costly than the proposed \$250,000 to be raised in Article 1 of the Warrant.

Several questions were asked of Dr. Frey by the group, and the effect of such an operation of the tax rate was explained by Mr. Lewison. After much discussion, it was moved and seconded to consider the original question of Article 1.

Balloting on Article 1 was done by printed ballot. It is required by law that the polls remain open for one hour. It was decided to consider Article II of the Warrant while the polls remained open on Article 1.

Mr. Ray read Article II of the Warrant again. Mr. Bridgeman, a representative of New Hampshire Housing Commission, was present and explained the purpose and program of the Commission. Basically, the purpose of the Commission is to subsidize rents for the elderly and needy. Many questions were asked of Mr. Bridgeman. The vote on Article II was unanimously in favor of adoption.

The polls closed to voicing on Article 1 at 10:15 P.M. A two-thirds majority (or 58 votes) were required for Article 1 to pass. The ballot count showed 76 yes votes and 10 no votes to appropriate \$250,000 for solid waste disposal facilities. Article 1 was declared passed as read.

Under Article III, appreciation was expressed to Dr. Frey for his excellent assistance with the Solid Waste Disposal program. A motion was made and seconded for adjournment and the Moderator closed the meeting at 10:20 P.M.

**WARRANT FOR 1975 ANNUAL MEETING
OF THE TOWN OF PLYMOUTH**

To the inhabitants of the Town of Plymouth in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Plymouth Area School in said Plymouth on Tuesday the 4th day of March, next, polls to be open for voting on article 1 at 10:00 o'clock in the forenoon and to close not earlier than 6:00 o'clock in the afternoon with action on the remaining articles to be taken commencing at 7:30 o'clock in the evening.

Article 1: To elect all town officers which appear on the official town ballot for the ensuing year.

Article 2: To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year and to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a set-off against the following debt service incurred for "priority expenditures" since January 1, 1972:

Purpose	Amount
1972 Courthouse note	\$10,000.00
1973 Highway Department garage note	7,000.00
	<hr/>
	\$17,000.00

Article 3: To choose one library trustee for a term of three years.

Article 4: To see if the Town will vote to raise and appropriate the sum of \$10,300.00 for the support of the Free Public Library, and authorize the withdrawal of \$5,300.00 of said sum from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 with the remaining \$5,000.00 to be raised from taxes.

Article 5: To choose two park commissioners for terms of three years each.

Article 6: To see if the Town will vote to raise and appropriate the sum of \$18,700.00 for the Park and Recreation Commission to develop and maintain recreation areas and facilities and conduct a year-round community public recreation program, and authorize the withdrawal of \$9,350.00 of said sum from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 with the remaining \$9,350.00 to be raised from taxes.

Article 7: To choose one trustee of Trust Funds for a term of three years.

Article 8: To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Police Department, and authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 of the sum of \$2,500.00 for use as a set-off against the amount appropriated under this article to purchase a new police cruiser.

Article 9: To choose one member of the Zoning Board of Adjustment for a term of five years.

Article 10: To see what sum of money the Town will vote to raise and appropriate for the maintenance and construction of highways and bridges.

Article 11: To see if the Town will vote to raise and appropriate the sum of \$4,500.00 for sidewalks.

Article 12: To see if the Town will vote to raise and appropriate the sum of \$690.69 in order to secure from the state the sum of \$4,604.62 for town road aid.

Article 13: To see what sum of money the Town will vote to raise and appropriate to defray the costs of operating the Fire Department.

Article 14: To see whether the Town will vote to adopt the following new by-law (ordinance):

MUTUAL FIRE ASSISTANCE

Section 1. The town shall be a member of the Lakes Region Mutual Fire Aid Association, a municipal corporation organized pursuant to the provisions of RSA 154:30 for an indefinite period, subject to the by-laws of said corporation and until such time as the Town shall vote to withdraw therefrom in accordance with the provisions of RSA 154:30.

Section 2. The Town shall pay annual dues in an amount fixed by the Board of Directors of said corporation on a flat rate assessed against all member municipalities for the general administration of said corporation.

Section 3. The Town shall pay annually on the date fixed for the payment of county taxes, the annual assessment for the operation of the Lakes Region Fire Dispatch Center; said assessment being determined by dividing the total cost of operation of said Center by the total equalized valuation of all member municipalities as determined by the New Hampshire Department of Revenue Administration biennially, and by multiplying the rate arrived at thereby by the total equalized valuation of the Town.

Section 4. Upon being accepted by said corporation for membership, the Town shall pay the sum of \$1,341.29 representing the accrued equipment cost attributed to the Town.

(By petition).

Article 15: To see if the Town will vote to raise and appropriate a sum not to exceed \$3,496.03 for the annual assessment to the Lakes Region Mutual Fire Aid Association. (By petition)

Article 16: To see if the Town will vote to raise and appropriate a sum not to exceed \$2,000.00 for the purchase of equipment for the Fire Department to be used in conjunction with our membership in the Lakes Region Mutual Fire Aid Association. (By petition)

Article 17: In the event of affirmative votes on articles 14, 15, and 16, to see if the Town will vote to authorize withdrawal of \$6,837.32 from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 as a set-off against the amounts appropriated under articles 14, 15, and 16.

Article 18: To see if the Town will vote to rescind the vote of the Town under Article 26 of the 1974 Town Meeting Warrant which adopted the provisions of RSA 55:9-a and RSA 55:99-b which authorized the Town Clerk to add names to the checklist and to present such names to the supervisors of the checklist.

REPORT OF THE SELECTMEN

Much to the satisfaction of everyone the year 1974 has seen the relocation of our Town Highway Department to their new garage facilities. In connection with this the Board of Selectmen has transferred the former garage property on Cummings and Avery Streets to the Sceva Speare Memorial Hospital.

Your Selectmen have ordered the new Mack Pumper for our Fire Department. We expect delivery of this 1250 gallon per minute pumper to take place before Spring of 1975. You have voted \$25,000 of the cost of this unit to be allocated from the Town's Revenue Sharing Fund. We expect the remainder of \$30,000 to be raised from a bond issue or serial note.

In July of this year the new Burroughs Bookkeeping Machine was installed in the Town Offices. We have seen this unit function as an effective labor saving device. This machine has also been responsible for updating our record keeping procedures for the various departments of town government. Now we have information concerning budgets, expenses and incomes that is readily available to the citizen or Selectman. Previous to the Burroughs Machine this pertinent data was difficult to obtain because of the variety of recording books that were in use (Unless one was very familiar with the earlier system it was hard to find information about a particular department or expense).

We have continued the practice of making major street repairs within the compact area of town. This year has seen a partial rebuilding and resurfacing of both Broadway and Merrill Streets. The Board feels that each year should bring a planned upgrading of those streets in poor condition. We have made an improvement along Main Street by seeing that a portion of the sidewalk and curb was rebuilt. It should be noted that those store owners involved were most cooperative in sharing the cost of resurfacing that portion of the sidewalk which was actually built on their land. Their cost sharing allowed the Selectmen to install a longer section of granite curbing.

The special Town Meeting held in October of this year approved the incinerator/recycling plan presented at that time. We have proceeded to order a reliable incinerator from the Combustion Engineering Company of Wellsville, N. Y. The Board wishes to stress that this incinerator is not like the open pit incinerators that have been found unsuitable for other communities in N. H. The unit we have ordered has been observed in operation in a community serving about 10,000 citizens. The incinerator is guaranteed to be acceptable to the air pollution control standards of New Hampshire. We have hired an engineer, Mr. Richard Phillips, who is responsible for the overall design and construction of the project. The Board believes that the effort towards recycling will require a change in the habits of many of us. However, we should bear in mind that the separation of glass, metal, newspapers and wet or dirty paper will not only contribute to the conservation of our resources but will directly reduce the cost of running the incinerator, for those items will not have to be burned. We expect this project to be in operation around July 1, 1975.

It was voted last Town Meeting to support the North Country Council organization. We believe that we have more than received our money's worth as we have made extensive use of this group this past year. The Town is continually confronted with the need for technical assistance and advice concerning planning and North Country Council is there for our use.

We have disposed by public bidding of a small building lot that became property of the Town from non-payment of taxes. This lot on Binks Hill Road was sold for the sum of one thousand fifty-five dollars as a high bid. The Board was pleased to receive such a sum. We expect to dispose by public bidding of other small lots the Town has acquired through tax deeds.

The Board has delegated the local Historical Society as the Town's proper representative in conducting any official actions concerning the U.S. Bicentennial celebration. There will be a money Article in the warrant for the 1975 Town Meeting to allow you to voice your opinion on this subject.

Concerning salaries and wages for Town employees the Board has made efforts in the past three years to raise them to levels suitable to attract and retain competent personnel. We believe that the Town employees are presently in an income range so that it is not to their financial disadvantage to be employed by the Town of Plymouth.

You have often heard the term Land use planning. The flood plain areas here in Plymouth illustrate the need for a type of Land Use which is controlled by zoning. We have taken the preliminary steps in developing a Flood Plain Zone Map. Here again you will be asked in the warrant to vote your preference in developing the requirements for Federal Flood Plain Insurance for Plymouth.

You will recall voting under Article 38 of last year's warrant the sum of \$5,000. This was to be the Town share in developing a plan of study concerning sewer lines. A survey will be made for the storm water separation from the sanitary sewer lines here in Plymouth. The paper work is in progress and we expect the survey of the sewer system will be made in the summer of 1975. We are under an edict to remove storm water from the sanitary sewer lines by the year 1977. This undertaking will require a substantial investment on the part of Plymouth when it finally comes about.

We want to remind the taxpayers of Plymouth that by the year 1980, the Town will be required by New Hampshire Statute to have a tax map showing all properties in the Town. This tax map will take about three years to complete and will have to be prepared by a tax mapping specialist. We expect to ask for monies for this project in the year 1976.

PLYMOUTH AIRPORT

This year major capital improvements were made at the Airport. Extensive work was done to lower and relay the drain approximately 800 feet. Money raised at town meeting was used for these Capital Improvements, while operating expenses are paid for by those who use the Airport.

Respectfully submitted
Airport Manager
Henry Fracher

REPORT OF FIRE DEPARTMENT

Report to town of Plymouth for the year of 1974

This department responded to 126 fire calls during 1974

Structure fires	17
Chimney fires	3
Grass & forest fires	6
Automotive fires	4
Plymouth dump fires	1
False alarms	24
Code 3	2
Silent alarms	54

This department participated in five mutual training programs with Twin Rivers Mutual Aid System. We also had 26 department drills.

The Mack Pumper has had a new primer pump installed which puts this pump in top operating shape. The Maxim Pumper had to have its clutch rebuilt and the flywheel resurfaced. This year we have to have the front fenders repaired, salt has taken its toll.

We should be getting our new Mack Pumper this spring, it may be delivered some time in April.

The people of Plymouth should feel confident in the men of the fire department because they are taking training seriously and are improving all the time.

We are trying to advance our quality of firemanship for your lives and property are in our hands and this makes it a serious business.

Town of Plymouth Fire Chief

Run break down of ambulance service calls the year of 1974

ASHLAND	39

HOLDERNESS	31
RUMNEY	23
PLYMOUTH	121
MISCELLANEOUS	60

This is an increase of 2 runs over last year.

The Emergency Medical Technician Ambulance course was held and completed in 1974. The course was held from 3/25/74 to 6/28/74. Classes were held two evenings a week. We had thirteen men take this course, who are active in the service.

I would like to remind you people that we can always use more people in this service, we depend on call in personnel two-thirds of the time. Because of this we need to have more people available to help out in emergency. Some of our manpower has moved out of town so we are looking for new members. It is the call in personnel that help keep the overall expense down. If you feel you could be of help, stop in and see us at the fire station.

**PLYMOUTH PUBLIC LIBRARY
ANNUAL REPORT, 1974**

To the Trustees:

A major renovation took place this fall at the library. Through the generosity of the Young Ladies Library Association, the floor was sanded and varnished. This required moving furniture and books in order to close the library for a two week period. Members of the Kappa Delta Phi fraternity, other college students and Mr. Robert Crowley helped in this project. New window shades were also installed at this time. The Young Ladies Library Association also purchased for the library the new Britannica 3 encyclopedia, including the Britannica Junior.

As a service center library, the library received a State Grant - in Aid of \$1,625.00. Part of this fund is being used to purchase a 16mm movie projector and screen for community as well as library use. The remainder is to be used for the purchase of reference books.

Another function as a service center, the library aided in obtaining films from the State Library for the Ashland Mothers Club to be used in their weekly programs. The library is continuing this service.

The Children's Literature classes at Plymouth State College again conducted a weekly story hour program at the library from February 18 to April 24. This program was followed by the summer reading for children, an annual part of the library services.

Ten exhibits in book and poster form were presented at the library, choosing topics which might be of interest to patrons and visitors.

Mrs. Topham has now completed three of the eight required courses of the Public Libraries Techniques Program.

The librarians attended 5 library meetings during the year.

Respectfully submitted,
Barbara Nims,
Librarian

CIVIL DEFENSE REPORT 1974

There were no Civil Defense emergencies in 1974, although the Unit was placed on alert a total of three times during the year. Training is continuing in handling emergencies with more scheduled for 1975. The Auxiliary Police Unit had a busy year as they were utilized to cover patrols for the regular Police Dept. which operated most of the year at less than full strength. Through the unselfish cooperation of the regular Officers, schedules were changed and shifts were split up to enable the part time Officers to fill in during the hours they were free from their regular jobs. In addition to regular duty hours worked by the part time Officers over 2000 unpaid hours of training was performed by these same men. This included attending seminars sponsored by the N.H. Police Standards And Training Council, classroom work and many hours of "on the street training" with the regular Officers.

Respectfully Submitted;
Brian F. Parris, Director

PARKS AND RECREATION COMMISSION DIRECTOR'S REPORT

I am pleased to present my first annual report as Plymouth's Parks and Recreation Director.

The Parks and Recreation Commission is responsible for providing recreational activities and facilities for everyone in Plymouth. The AREA High School houses many of the activities and the Director is responsible for scheduling the activities evenings, weekends and during vacation periods. In addition the Parks and Recreational Director and Park Foreman are responsible for the care and maintenance of Fox Park and the AREA High School outdoor facilities.

Upon my appointment as Director in May I found that I was fortunate to inherit a sound recreational program. This in mind I have set my own objectives to make additions and changes on a gradual basis as deemed necessary. During 1974 program activities in camping, outdoor education, ski instruction and adult activities were introduced or increased.

Program objectives for the future include additional adult activities and emphasis on new children's activities for fun and enrichment.

I am very thankful to the many men and women who contributed valuable time to help make our programs more successful for all to enjoy. We are here to serve the people and value any suggestion as to what our participants desire in the form of programs and facilities. In this manner the Parks and Recreation Commission, Director and programs can become an invaluable segment of the total community of Plymouth.

Respectfully submitted,
William S. Ulinski
Director Parks & Recreation

INFORMATION BOOTH REPORT

Board of Selectmen
Town of Plymouth
Plymouth, N.H.

Gentlemen,

The Information Booth opened the Saturday before the Fourth of July and closed Sunday the day before Labor Day. It was ably attended by Miss Hazel Downing in her usual efficient manner.

There were 5518 cars stopped compared to 4421 in 1973, an increase of 1,048. These cars carried 13,730 people compared to 13,020 in 1973, an increase of 710.

Tourist from all states were served except Alaska, Arkansas, Idaho, Montana, Nevada, Utah and Wyoming. It is noticeable that middle west people do not come to New England in very great numbers.

All Canadian provinces were represented except Alberta, Newfoundland and Saskatchewan. There were tourists from Sweden, Australia, Belgium, Austria, England, Ireland, France, Hungary, Japan, South Africa, Switzerland, Germany, Holland, Israel, Puerto Rico and Mexico.

Many bicyclists, hikers and motorcyclists used the booth.

The Chamber of Commerce wishes to express its thanks to the taxpayers of Plymouth for the financial support of the booth which goes entirely toward the salary of Miss Downing. It also thanks William Cushing for his services and material in repairing the broken glass at the booth.

Respectfully submitted
Clarence H. Jones, Chairman
Information Booth Committee

PEMI-BAKER HOME HEALTH AGENCY, INC.

ANNUAL REPORT TO THE TOWN OF PLYMOUTH

The Pemi-Baker Home Health Agency, Inc. is a non-profit organization, (Inc. 7/17/67), supported in part by an annual appropriation in the budget of each member town. The Board of Directors is made up of an appointed member from each town; ministerial representative; nurses and a physician. Its purpose is to provide part-time nursing service in the home, under the supervision of a licensed physician. A Medical Advisory Committee determines and approves medical policies for nursing care and interprets the Agency's services to the public.

There is a standard fee covering each visit. Patients are expected to pay this fee if they are able to. However, under certain conditions fees can be adjusted to reflect the financial ability of the patient, by the Agency Nurse.

The scope of care by the Agency ranges from new-borns to the elderly. The Agency is equipped to handle Medicare; Blue Cross/Blue Shield '65'; Medicaid and private patients.

The Nurses work on a salary basis and all fees are turned over to the Agency. They are on duty Monday-Friday from eight to four. There are two full-time RN's; one part-time RN; and two Homemaker/Home Health Aides.

The office is staffed by a part-time secretary/bookkeeper. She is available Monday-Friday to answer any calls. The telephone number is 536-2232. For your convenience, when there is no one in the office, the Agency has installed a Codaphone to receive any messages.

Anyone living in one of the eleven member towns may ask for a visit from the Nurse. However, treatment and continuing care can be provided for a patient only under doctor's orders.

Under the supervision of the Agency Nurse, a Homemaker/Home Health Aide service is now available through this Agency. This service is a community-wide program designed to place a trained, responsible worker in the home where illness, disability or other problems may threaten normal family living. Please feel free to ask about this additional service.

It has been the Agency's pleasure to serve your community.

Respectfully submitted,
ROBERT E. MAIN
Town Representative

The Planning Board meets the third Thursday of each month to hear new requests and to pass on requests submitted at previous meetings.

Special efforts have been made this year to plan flood plain zoning in an effort to respond to federal legislation affecting some Plymouth property owners.

The Board has been aided in these efforts by representatives from the North Country Council, in which we now hold membership.

PLYMOUTH HOUSING COMMISSION

ANNUAL REPORT

Authorization for the Plymouth Housing Commission and 20 units of Low-income housing for the elderly was voted at the special town meeting on October 3, 1974.

The Commission met in November and December with representatives from both the New Hampshire Housing Commission and the North Country Council Incorporated.

It was determined that before application can be made to HUD (Housing and Urban Development) for this program, certain local information such as average incomes, rentals, vacancy rates, etc. were needed. The Commission is in the process of collecting this information.

Of particular interest to the public will be the policies under which this program will be administered. An elderly tenant to be eligible shall be at least 62 years old and paying 25% or more of his or her income for rent. A housing unit to qualify for the program must be decent, safe and sanitary according to guidelines in the policy statement. When both a tenant and a unit are approved the parties enter into a tenant-owner lease. Processing of applications can begin only after our program has been approved through the New Hampshire Housing Commission.

There is much work to be done but by this time next year it is hoped that the Housing program will be well underway.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

REPORT TO TOWNS

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodland closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

PLYMOUTH VILLAGE WATER AND SEWER DISTRICT

1974 WORK REPORT

The new 2-1/2 million gallon water storage tank went into operation July 1, 1974, the bond issue for this project was \$360,000.

Drainage culverts at the tank site were installed by the department.

In 1974 a total of 168,047,312 gallons of water was pumped and a total of 129,302,338 gallons of water consumed.

458 feet of pipe lines of all sizes were layed in 1974.

The Sewage Treatment Plant treated a total of 202,327,310 gallons of influent, pumped 400,180 gallons of sludge which when dewatered produced 331 cubic yards of filtered sludge which weighed 394,000 pounds, 19 1/2 cubic yards of sand was removed from the influent.

It required 13,000 pounds of lime, 1,485 gallons of ferric chloride, and 15,761 pounds of chlorine gas to process the sewerage that went through the plant in 1974.

The average daily flow was 554,321.64 Gallons per day. The maximum flow for one day occurred on March 16, 1974 and was 3,331,400 gallons.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my second report as your Superintendent. Beginning last September, many new and exciting courses were offered to our high school students. The curriculum, although far from perfect, does offer our students more alternatives than ever before. Like all new ventures some problems are invented especially in the area of scheduling. We hope to reduce the number of conflicts to a minimum with early scheduling. We also plan to increase the number of vocational offerings next year with anticipated federal funding. However, should this funding not be forthcoming, then the number of courses would remain about the same.

The elementary school is continuing to update textbooks and supplemental materials within the basic disciplines. Many changes have occurred in the basic reading programs over the past few years, and a visit to the school will afford you the opportunity of viewing the various reading materials in operation.

Reflections on the Proposed Budget for 1975-76

An unbelievable number of hours seem to go into the preparation of a school budget. Each year we start our preparations earlier in an attempt to offer the School Board more time to deliberate and raise questions. We also learn a budget is far from perfect because by necessity it becomes a compromise between what we feel is necessary and what the community feels it can afford. A new element is becoming a greater part of financial planning; namely, accountability. Not only is questioning going deeper into the need for certain new programs and items, but also, programs that have been historically funded are being questioned. Financial accountability also requires a system of controls which are necessarily slow for verification at several levels and the subsequent disbursement of funds.

The proposed budget is extremely compromised, and it does not contain many of the new and additional services we feel are desirable in your schools. For example, the need for an additional secondary school counselor has been recognized for some time. We would like to do more with music, especially in the area of orchestration.

In an attempt to meet the needs of the students, we have requested one additional math teacher. Presently the pupil-teacher ratio is running over 30 in several classes.

The proposed budget calls for an increase in teacher salaries. A competitive salary schedule is essential if Plymouth is to retain its good faculty members and acquire suitable replacements. Although there is a surplus of teachers, we will probably never have a surplus of outstanding teachers.

The budget also contains increased money for the custodial department. Of necessity the schools must be maintained, or we will pay more in the future.

The grounds are under the care of the Park Foreman. For him to meet his commitments, a dependable vehicle must be available. We attempted to repair the old surplus truck, but new problems developed which made this an unwise expense. We are, therefore, requesting a proper vehicle to do the assigned job.

The revenue and credits are presently projected to be less than this year principally due to the fact that the last installment of the State retroactive building aid was received this year. Tuition students to the AREA High School should increase; however, a conservative 300 students is projected for budgetary consideration.

Just a note on the cost of school supplies. Like other businesses, we have experienced tremendous increases in many of our goods. In fact, it is quite remarkable that the budget is so low in the teaching supplies account.

We hope you will see fit to view this 1975-1976 budget in a favorable light and continue to support your fine school system.

Respectfully submitted,
KENNETH SMITH
Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1973-1974

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a supervisory union shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district, and their share of same. Said report shall be filed with the school board of each school district involved and shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrators, if any is in service in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$16,500 which was received by the Superintendent of Schools of Supervisory Union #48 during 1973-1974 was made up as follows: \$2,500 paid by the State of New Hampshire and \$14,000 was prorated among the school districts comprising the Supervisory Union. Allowance for \$800 travel within the Union was also prorated as stated above.

The salary of the Assistant Superintendent during 1973-1974 was made up as follows: \$2,400 paid by the State of New Hampshire and \$11,600 was prorated as stated above. Allowance for \$1,200 travel within the Union was also prorated as stated above. The table below shows the portion of salary and travel charged to each school district:

District	Adjusted Percent	Supt's. Salary	Supt's. Travel	Asst. Supt's. Salary	Asst. Supt's. Travel

PLYMOUTH AREA HIGH SCHOOL

PRINCIPAL'S ANNUAL REPORT

It gives me pleasure to present to you my first annual report as Principal of Plymouth AREA High School.

There is no one factor by which the quality of education can be measured. The many variables that affect what students know and become as a result of going to school limits the reliability and importance of any single variable. The fact that a school may send a higher percentage of its graduates on to higher education than another, cannot be generalized as a relative measure of quality. Such factors as general ability levels, reading and writing achievement, socio-economic background of the community, and the attitudes of parents, teachers, and administrators play a major role in determining any relative scale of educational outcomes.

Statistically, the Class of 1974 graduated ninety-eight, thirty-five percent going on to some type of post-secondary education. As of this writing, twenty students in the Class of 1975 have been accepted into institutions of higher learning. The students who decide to terminate their formal education at the end of high school cannot be thrown into a labor market which, at the present time, has little or no room for them, but the imperatives of a democratic society rightly demand that all have their chance.

To be employed is to feel secure. To be employed is to be able to participate in the mainstream of society. This is the underlying philosophy of vocational education. The old argument of which type of education should be offered at the secondary school level is not in keeping with the realities of the times. The issue is how to best offer each student an integrated educational program that is realistic and meets his needs.

It is economically, politically, socially, and psychologically important to nurture and develop the capabilities of the talented and able student who will go on to higher educational pursuits, but to neglect the needs of those who cannot or do not desire to seek advanced education could be disastrous.

Why is vocational education necessary? It is the bridge between man and his work and man must work! This is a fact of life. How well we meet the needs of the majority of students who leave high school and immediately enter the world of work ultimately affects our total society and each person in it.

To meet the needs of these students your Principal, with the valuable assistance of Walter Wimmer, Director of Vocational Education, plan to offer a variety of vocational programs in the high school curriculum.

Proposed for next year are vocational programs in Building Trades, Distributive Education, Food Service, and Power Mechanics. These vocational programs are supplemented with our Industrial Arts, Business Courses, and Home Economics.

This year the position of Assistant Principal, a new position in the high school, has been ably filled by Mr. Sherburn Ramsay, Jr., a twenty-two year veteran of the Plymouth School District. Mr. Alan Hodsdon has been employed as our Coordinator of Work Experiences Program, known to our students as "Learn to Earn". Needless to say, we are very excited about this innovative program. We hope the community at large will cooperate in taking our selected students into their companies, businesses, shops, etc., and in giving them on-the-job training as a practical corollary to their high school academic studies.

May I take this opportunity to personally thank Mr. Smith, Mr. Cabral, the Plymouth School Board, the faculty, the student body, and the community for their excellent support and cooperation this past year.

Respectfully submitted,

JAMES W. DESMARAIS
Principal

PLYMOUTH ELEMENTARY SCHOOL

PRINCIPAL'S ANNUAL REPORT

I am very happy to submit once again my annual report in regard to the Plymouth Elementary School.

Most of the staff has remained the same, although we have had a few changes. Mrs. Mary Ford, who was working in the fourth grade, has now taken over the position of Special Teacher in charge of the Resource Room. This is a very important part of our school, since it provides extra help for youngsters who, for various reasons, need it. Virginia Dearborn is teaching in the fourth grade, and we have secured the services of an Aide, Michael Gage, in the Middle Room. This gives us now two "male images" in the Middle Room. Charlotte Brook is in complete charge of music in the elementary school this year. We were very happy to have Connie Ross return and take over the reading program in the Junior High School.

I would be negligent if I did not mention the change in my office staff. Upon entering the elementary school, one is greeted by a new secretary in the person of Barbara Guinan, who took the position vacated by Linda Fowler, who resigned last year.

I feel that we have a very good working staff in the elementary school at the present time, and that together we are accomplishing a sound, working program, and a school where the students' needs are being met.

We have continued to feel great cooperation from our parents, and this is a big plus for our community. Only through working together can we accomplish our goals and give Plymouth the type of school it wants and needs.

Our enrollment does not fluctuate greatly. We do have a registration slightly under what we had last year, and we can expect it to vary a bit each year.

We have been fortunate to have the State Department help us by coming into our school and testing vision and hearing on all five and six year olds in our district. The Lions' Club sponsors this program, which helps us to "Spot" problems in vision and hearing in youngsters at an early age.

Our Christmas program was a big success, and we were happy to have the auditorium filled with parents, since so much effort goes into putting on a program such as this.

We have felt that our "Open House" programs for parents have been very successful. We shall continue to have these programs and also to have parent-teacher discussion groups. These prove to be very helpful, as they keep us in touch with community ideas.

We, at the Plymouth Elementary School, want to thank all the people in the community for the wonderful support we have received this year.

Respectfully submitted,
MARION C. BENT

REPORT OF THE SCHOOL DISTRICT NURSE

The following is a report of the health program for the Plymouth schools for 1974.

Dr. F.D. McIver, school physician, completed physical examinations for 319 pupils (including athletic teams).

On each Tuesday Dr. McIver is available to students for consultation on health problems.

Two American Cancer Society films were shown on February 12 to over 60 senior girls. Following the films a question and answer period was conducted by Dr. Emily Crane.

On May 3rd the N.H. Department of Public Health and Plymouth Lions' Club sponsored a vision and hearing screening program for 178 children from District #48, Ashland, and Headstart program. Appropriate follow-up procedures were suggested by Mrs. Natalie Smith, director of the program. Assistance with the program was given by Plymouth State College volunteers and students from Plymouth High School and Junior High.

Again this year, the Reverend P.V. George was chairman of the Matching Fund Dental Health program and supervised appointments.

NURSE'S WORK

First Aid - Approximately 50 daily
Vision Tests - 312
Hearing Tests - 237
Head Inspections - 325
Medication (per doctor's orders) - 47
Daily Dry Sterile Dressing - 1
Daily Inhalation - 1
Insulin Administration, as necessary - 1
Home Visits - 4

Contagious Diseases:
Infectious Mononucleosis - 4
Mumps - 2
Chicken Pox - 8
Scarlet Fever - 4

I wish to thank the people who have helped with this program during the past year.

School Board
Plymouth School District
Plymouth, New Hampshire 03264

Gentlemen:

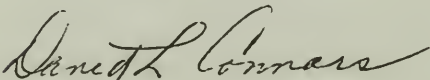

We have examined the statements of financial position of the Plymouth School District - General Fund, as at June 30, 1974, and the results of budget operations for the fiscal year then ended. These financial statements include transactions of federal projects for the current and prior year. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other audit procedures as we considered necessary in the circumstances.

This report does not include the Student Activities Account. The Child Feeding Program (Exhibit E) was not able to be audited again this year due to missing records. Accordingly, we take no responsibility for same.

Although the general accounting system of the Plymouth School District is on the cash basis, adjustments have been made for the beginning and ending accounts receivable and payable to more accurately report the results of operations for the fiscal year ended June 30, 1974. Normally, the books of the school district are held open after year end in order to include receipts and disbursements applicable to that prior year. When the books are not held open then it is our opinion that monies due and unpaid invoices for that year have to be considered in order to properly reflect the financial operations for that fiscal year. Schedules B-1 and C-1 reflects these adjustments.

In our opinion except as previously noted, the accompanying financial statements present fairly the financial position of the Plymouth School District - General Fund at June 30, 1974, and the results of operations for the year then ended, in conformity with generally accepted governmental accounting principles applied in the State of New Hampshire.

Respectfully submitted,

David L. Connors

NOTE TO CONSTRUCTION ACCOUNT

Pursuant to your request, please be advised that we have reviewed our files with respect to litigation involving Plymouth School District and find that the only item of any substance in litigation is a matter pending before the Grafton County Superior Court with respect to an award made by the American Arbitration Association in favor of Curran-Cossette Construction Corporation.

Pending that matter, it was agreed between counsel that the case could be heard by the arbitrators; and as a result of a hearing held in April of 1974, the arbitrators issued an award dated May 2, 1974 in which the Corporation (plaintiff) was awarded \$27,163. This sum included the \$6,400 which represents work performed by the contractor at the District's request subsequent to the date of substantial completion and which we agreed was due and payable but for which we have not yet received releases from alleged mechanics liens.

Upon receipt of the award, this office renewed the motion pending in Grafton County Superior Court and has, in turn, received a Writ of Summons against the School District for the payment of the award as made. In the meantime, arrangements have been made to file with the office of the Clerk of Superior Court the total sum of \$23,343.19 which represents the award made by the American Arbitration Association, plus interest from the date of the original demand, less \$6,400 which we have on hand and which is to be paid Curran-Cossette pursuant to the terms of the demand as soon as we have received the requisite releases from the mechanics liens as mentioned above.

The purpose of our filing the monies with the Clerk of the Superior Court was to keep interest from running in addition to that already awarded by the arbitrators pending the resolution of the Petition for Injunction, which should be heard during the current term of Grafton County Superior Court which will end sometime in December, 1974.

The above was abstracted from Attorney Walter L. Murphy's letter of October 3, 1974.

RECOMMENDATIONS

Our audit included a brief study of the existing accounting procedures of the Plymouth School District. The results of the system revealed that the system is adequate, but is not current as it could be. Those presently managing these school funds must have available to them enough information on a timely basis to constantly monitor and control operating revenues and costs.

We strongly recommend the accounting be kept up to date. The new system can provide up-to-date automatically summarized financial data that is part of the daily operational routine of the system.

Other recommendations, not necessarily in order of their importance, are as follows:

1. Prepare an accounting manual in order to establish prescribed procedures and promote consistency. We understand this manual has been partially completed and is presently awaiting changes at the state level.
2. Establish an adequate Contingency Fund that would provide for unbudgeted emergency expenditures.
3. Prepare timely monthly financial reports that would 1) compare revenue received to total revenue estimated; 2) compare expenses (paid or encumbered by purchase order placed) to budget appropriation and show resulting unencumbered balance.
4. Adequate records, such as bank statements, cancelled checks and copies of payroll tax returns, should be retained for the Child Feeding Program. An independent check of headcount with a reconciliation to receipts should be made.
5. Books should be maintained for the high school students Activities Account. We understand books are now being maintained.

You understand that an audit and brief study for suggested improvements in the accounting system, cannot be relied upon to disclose defalcations and other irregularities of the same general nature; accordingly, we do not assume responsibility for their detection. The best protection consistent with minimum expense is provided by the constant attention of the School Board members toward improvements in the accounting system and by carrying adequate fidelity bond coverage.

You understand that our comments deal exclusively with accounting procedures and techniques, and should not be regarded as reflecting upon the integrity of anyone in your organization. We received excellent cooperation from all concerned and commend them for the fine job done in updating the accounting system and procedures.
